BOAT PEOPLE? WHAT ARE THE DO-GOODERS DOING FOR HER...

DO-GOODERS – DON'T THEY MAKE YOU SICK! The way these people have been falling over themselves to clothe, house, feed and employ the so-called Vietnamese 'Boat People' you would think that there were no BRITISH homeless to house, no BRITISH children to clothe, no BRITISH old folk to feed and keep warm and no BRITISH jobless to employ.

But there are – MILLIONS of them! The only difference is that they are not fortunate enough to have yellow or black skins, which are essential requirements for most do-gooders.

Another essential requirement for the do-gooders is lots of publicity for themselves, and the news media are not so interested in people who help our own deprived people.

In Britain today there are 9½ million old people – 16 per cent of the British population. The number of old folk is growing and becoming an increasing responsibility. They should be our first social concern.

Each year thousands of old people die of hypothermia, malnutrition and exposure, as well as bronchial pneumonia and other such diseases brought on by cold, damp, hunger and general neglect.

We say: What about looking after **them** first?

Right now there are **200,000 homeless** British people. These are mostly hard-working young people with families who are still waiting on Council housing lists, and who in the meantime are living in Council hostels and caravan sites.

Families frequently have to live apart because of their homelessness.

We say: What about housing **them** first?

A staggering *3 million* British people are still living in severely sub-standard accommodation – homes without inside lavatories, without bathrooms, without proper lighting, heating and cooking facilities, homes with filthy, insanitary conditions that breed disease.

Thousands of these people are old folk, and thousands more are children.

We say: What about housing **them** first?

The do-gooders are blathering about finding jobs for thousands of 'Boat People'. Yet there are 1,400,000 British people unemployed, of which a half a million are under 25. An appalling 347,000 have been unemployed for over a year, which is more than the total number of unemployed in the mid 1960's.

Unemployment is expected to rise to 2 million by the end of the year.

We say: What about finding **them** jobs first?

NATIONAL SCANDAL

It is a national scandal that the British news media are allowed to whip up a hysterical campaign on behalf of "refugees" from Vietnam for whom Britain has no responsibility whatever, when they ought to be campaigning on behalf of millions of our own hungry, homeless and jobless.

To cover up this scandal the media is telling cynical lies about the 'Boat People' being persecuted 'refugees' from Communism when they are nothing of the sort.

Most of them are not Vietnamese at all, but ethnic Chinese who belong to underworld clans of black marketeers, drug peddlers, bar owners, vice merchants and other corrupt 'businessmen' who sponged off the American administration.

No longer able to make any more profits, they are paying huge 'exit taxes' in gold to criminal elements in the Vietnamese shipping industry operating a 'refugee' smuggling racket – and the Communist government gets a large rake-off.

The reason why so many of their boats are nearly sinking is that, even after paying $3,000 per head to get out, they can still load their ships' holds with a fortune in gold bars.

Millions of dollars worth of gold bars and gold leaf were discovered by Hong Kong police hidden in the petrol tanks of the freighters *Skyluck* and *Huey Fong*.

Britain is even letting in the gangsters who, on board the *Sibonga*, were robbing their fellow 'refugees' of their ill-gotten fortunes in gold!

But a few children clutching teddy bears make better propaganda press photos than Chinese gangsters.

"Little old lady passing by" – catching no do-gooder's eye as they're too busy pampering 'Boat People'!

MILLIONS COMING

MILLIONS of Chinese and Vietnamese are joining the queue to enter Britain and other Western countries started by the 'Boat People'.

Not only is the 1,700,000 strong Chinese population of Vietnam expected to leave, but also a flood of Vietnamese which could reach 10 million, according to the UN.

The pressure of this alien flood on Hong Kong, Malaysia and other Asian countries will inevitably spark fresh demands that Britain must "take her share".

Hong Kong alone is bursting with 44,000 'Boat People' arriving at the rate of 1,000 a day, plus 100,000 illegal immigrants from China.

This British colony has a total of a ¼ million legal and illegal 'refugees' from China and Vietnam.

So far, over 300,000 of these aliens have been 'resettled' in Commonwealth and Western countries. Hundreds of thousands more are awaiting 'resettlement', and it will soon reach millions.

Already David Ennals and other assorted do-gooders are demanding that "at least another 15,000" should enter Britain.

Pressure has been put on Australia to take another 40,000 by the end of the year.

The entire population of Hong Kong, which will soon revert to the ownership of mainland China, is now six million. China insists the colony can take another four million refugees.

When China takes over in about 15 years' time, those millions will be offered British citizenship!

HOW YOU CAN HELP *NF NEWS* APPEAR REGULARLY

MANY *NF News* readers – especially those who get out on the streets to sell the paper – have expressed annoyance at its irregular appearance. Unfortunately, the production of a new issue does not depend solely on the creative efforts of the editorial staff, but on MONEY!

A General Election special issue had been prepared in April – but it did not appear (even in a revised form after the election) because the printer was still owed the entire cost of the previous issue. Even if the NF Finance Department were willing to authorise the doubling of our debt, our printer will not print a new issue until the previous issue has been paid for.

This situation came about for three reasons:

1) A large number of NF units make no attempt to pay for supplies within one month. As proof of this we publish a detailed account of debts owed to *NF News* as at 6th June – i.e. **three months after the production of the last issue!**

2) *NF News* was not launched with any capital behind it. The first issue was printed on credit, and supplies were made available to NF units on credit. The paper has never had a cash 'float' to enable it to carry on production regardless of slow payers.

3) Even though *NF News* is the financial responsibility of the National Front, the NF Finance Department has not been able to provide the paper with an accounting, credit control and debt-chasing service which is essential for any kind of credit trading operation. (*Spearhead,* a private publication, is able to secure the services, privately, of accounts assistants and debt chasers who work on commission.)

How are we planning to overcome these difficulties?

Firstly, having made individual *NF News* readers aware of what the problems are we hope that at their local monthly NF branch or group meetings they will continually chase their Treasurers to PAY UP QUICKLY!

Secondly, our problem of not having adequate capital backing has for the time being been solved thanks to the kindness of a Lewisham Branch member who has made a £1,000 **loan** to the paper. It was this act of faith in the future of *NF News* that enabled us to bring out this issue.

Thirdly, we now have an Accounts Manager. He will ensure that invoices for supplies are *posted* to branch and group Treasurers, and not packed with consignments. He will ensure that monthly statements are issued. Most important of all: he will ensure that *supplies of a new issue will not be given to units which owe for a previous issue.*

These measures may seem tough – but they are only fair to those units who always pay up quickly.

Finally, we hope that any NF units or individual readers who are in a position to make an occasional or a regular donation to the paper will study the NFN Appeal Fund notice on the back page.

NEWSPIG

"We'll never have peace on our streets while the National Front is allowed to subvert democracy — as they did at Southall — by nominating election candidates and holding election meetings! Such provocations can only result in idealistic young hot-heads of the Socialist Workers' Party making mob attacks on our unfortunate Police who would otherwise be on patrol protecting ordinary citizens! A ban on the NF would thus uphold peace and democracy!" . . . " . . . After the break Paul Foot presents **What the Papers Say . . .**"

"We hope he dies!" jeered 'Anti-Nazis'

THIS was Richard Wagenaar, 67 year old Treasurer of Wandsworth NF Branch, four days after an "Anti Nazi League" mob had tried to kick him to death on Southall BR station during the riot on 23rd April.

He, his wife Violet and a few friends were turned away from the NF meeting by Police and were then ambushed. The mob kicked his body onto the railway track. They jeered: "We hope he dies!" as he was lifted into an ambulance.

Mr. Wagenaar was treated in Ealing Hospital Intensive Care Unit for multiple injuries, but is now on the road to recovery.

AS THE MEDIA AND M.P.'s CALL FOR NEW LAWS TO "CURB THE NF", WE ASK:

WHERE WAS THIS?

GROSVENOR SQUARE 1968?
RED LION SQUARE 1974?
LEWISHAM 1977?
GRUNWICKS 1978?
SOUTHALL 1979?

POLICE horses charging into a rioting mob – but where and when?

Outside the American Embassy in Grosvenor Square in 1968? At Red Lion Square in 1974? At Lewisham in 1977? Outside Grunwicks in 1978? At Southall last April?

What is the mob chanting?

"Ho, Ho, Ho Chi Minh!" . . . *"The Workers, united, will never be defeated!"* or *"Smash the National Front!"*?

What is the common denominator between these horrific incidents?

The National Front – a "provocative" NF march or an "insulting" NF election meeting?

No! The NF had barely been formed at the time of the anti-Vietnam war 'demos' in Grosvenor Square and was completely uninvolved in the "mass pickets" at Grunwicks.

The common denominator is the ever-intensifying effort by Left Wing mobs organised and led by alien Marxist revolutionaries, to achieve political objectives by violence.

Pretexts for the Red Mob's mobilisation vary, but the strategic objectives are always the same:

1) To intimidate and demoralise society in general and the Police force in particular as the last bastion against the Mob's hoped-for "revolutionary situation".

2) To stampede the general public into demanding new laws intended to uphold Law and Order but whose repressive effect would only provide new opportunities for confrontation and 'justifications' for political terrorism.

One of the tactical goals within the second of those objectives is the suppression of the NF's right of assembly and ability to participate in elections by means of amendments to Public Order and Election laws.

This has been admitted by leading Socialist Workers' Party member Paul Holborrow who is Organiser of the "Anti Nazi League" – an alliance of Marxists and Zionists within and without the Labour Party.

Referring to the appalling riot in Southall when "Anti Nazi" supporters attacked the Police five hours **before** an NF election meeting took place, he said:

"Our aim is to get the NF banned."

The Red Mob is being assisted with this tactical goal by its allies in the media who are pushing the notion that if the National Front did not exist the Red Mob would wither and die and an era of unending peace would begin!

Are there dolts in Parliament stupid enough to be conned by that artful beguilement? Watch this space!

NF News Nightmare File

A GAS EXPLOSION totally demolished the Malik family home in Ellesmere Street, Freehold, **Rochdale,** Lancs., and nearly blew up the whole neighbourhood – but the shouts of horror from local White residents turned to shrieks of mirth when the cause of the big bang became known. When Mr. Nazir Malik arrived home on Monday 4th December his wife Mussurat complained of a smell of gas. Her husband and two of their sons went to the cellar to investigate. A Greater Manchester Police spokesman later reported: "It is believed that at this stage he struck a match and an explosion occurred." Through an interpreter Mrs. Malik added: "My husband's trousers were on fire."

HACKNEY HALF ASIAN? Old Street Magistrates Court stipendiary Magistrate Mr. James Jobling seems to think so. When a detective applied to him for a warrant to arrest an unnamed Asian for an alleged assault Mr. Jobling said: "A Bangladeshi, aged about 35, 5ft 4in tall? That could cover half of Hackney! Application refused!"

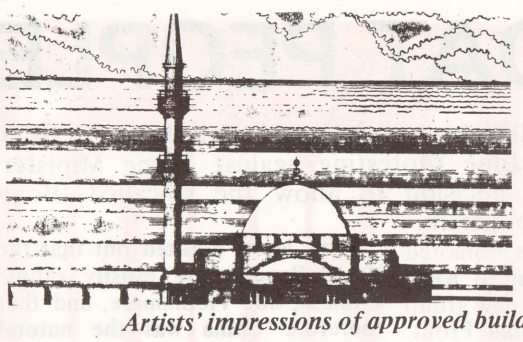
DEATH BEFORE DISHONOUR was the code upheld by Gujarati racialist Mrs. Kashiben Patel. **Hornsey,** N. London, Coroner's Court heard in January that Mrs. Patel was very upset when she heard her daughter Naliniben had taken up with a Pakistani Muslim. On the night Mrs. Patel heard this news a fire broke out in her home which asphyxiated both herself and her race-mixing daughter. Forensic scientist Mr. Leslie William Russell told the Coroner that the upstairs carpet had been soaked in paraffin, but there was no container or appliance from which it could have spilled accidentally. Another witness, relative Mrs. Ambala Patel said: "A Gujarati family could never approve a marriage across race, religion or caste."

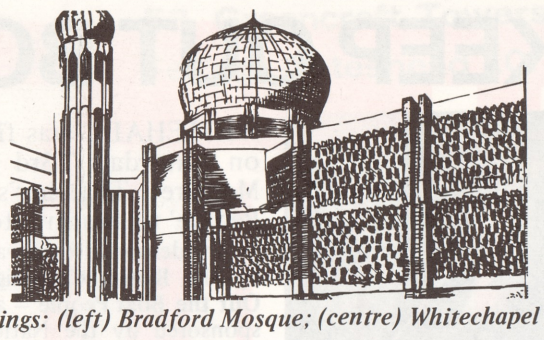
CHARRED REMAINS were all that firemen found of Krishnan Nayar when they rushed to his Heath Town, **Wolverhampton,** home in December. The fire seriously injured the dead man's wife Rama and his 18 months old son Rajit. A domestic tiff led Mr. Nayar to go upstairs, pour spirits over himself and set himself alight. He walked downstairs in a ball of fire, went into the lounge, sat on the sofa and waited to die.

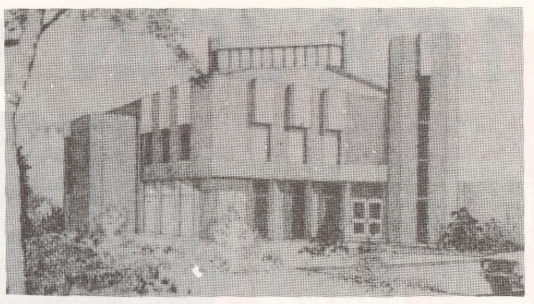
"DISGRACE TO BIRMINGHAM" was how Mr. Robert Price, Chairman of the city's licensing committee, described the state of the once famous Farcroft Hotel in Handsworth. The committee refused to renew the pub's licence because the tenant, Mr. Kulwant Singh Chatha, was not considered to be a fit and proper person to run the establishment. The committee had visited the pub and found: old food congealed on paper plates scattered on the floor; lavatories from which the smell was so bad committee members would not enter them; light fittings hanging from the walls and ceiling; thick grease on the kitchen walls and floor where cookers had been removed; dried vomit and old mattresses on some floors. The pub was first opened in 1922. For 25 years its first tenant was Jim Murphy, a well-known footballer and boxing promoter who staged a famous series of floodlit bowls tournaments. A subsequent tenant was the great West Bromwich Albion winger Billy Elliott. In its great days the Farcroft Hotel was known as "the flagship of the city's licensing trade." It is now a symbol of the multi-racial squalor that is Handsworth – indeed, much of Britain.

MUGGING ATTACKS SOARED in the **West Midlands** as a direct result of the Civil Servants' strikes which closed Social Security offices in February. Among the victims of the crime wave was Cllr. Sheila Wright, Chairman of the West Midlands Regional Health Authority. A vocal multi-racialist, Mrs. Wright's handbag containing £40 was snatched as she walked home through **Handsworth.** West Indian community leader Mr. James Hunte admitted: "There was a lot more handbag snatching last night than was reported to the Police. It has taken us a long time to convince many West Indian youths without jobs to take Social Security and give up crime . . ."

A MULTI-RACIAL EDUCATION has not been wasted on this young lady. Not long ago she and two other **Acton,** W. London schoolgirls, occupied a telephone box for 15 minutes during a lunch break while two middle aged White women waited patiently outside. Eventually one of the women tapped on the door and asked if the girls would be long as she had an important call to make. The result? This young charmer came out of the box, pushed the woman over and bawled: "F - - - off, you White slut!"







Artists' impressions of approved buildings: (left) Bradford Mosque; (centre) Whitechapel Mosque; (right) Slough Hindu Temple

BRITAIN: A LAND OF MOSQUES AND TEMPLES

BRITAIN'S familiar skyline of graceful church spires is today being replaced by the vast domes and minarets of Moslem mosques and Hindu temples as more and more Christian churches are being demolished or sold to Asians.

More mosques and temples have already received the planning go-ahead. Race relations in **Slough,** Buckinghamshire plummetted still further as a result of the Hindu temple that is to be built in a residential area.

After the decision in the Council chamber, angry White women in the public gallery showered councillors with missiles and hurled abuse at Asians present. To placate furious White residents, the Tories are proposing another site for the temple.

No such offer has been made to the White residents of *Whitechapel,* East London. Permission has been granted for the second largest Moslem mosque in England costing a million pounds with room for 2,000 people. The huge dome will tower 75 feet above Whitechapel Road.

In **Gloucester,** home of the finest late Gothic cathedral in England, permission has also been granted for a mosque, "slightly smaller" to meet objections by angry Britons.

In **Bradford,** rival mosques are being built!

Permission has been granted to the Tablig-ul-Islam sect for one of the largest mosques outside the Islamic world to be built in Westgate, Bradford. Costing £2½ million, its minaret will tower above all buildings in the city.

The mosque has been described as an "environmental improvement"!

A break-away Pakistani sect, Jamia Masjid Hanfia, is to build another £½ million mosque in the city's **Manningham** district following fights among rival Moslems when a man was stabbed.

Another gigantic mosque is also planned for central **Birmingham,** to be financed by a £1 million "missionary fund".

In **Leamington** a row has erupted over a Sikh temple that is already higher than specified in the planning application.

These huge purpose-built mosques are replacing the converted mosques associated with the first wave of alien immigration.

In **Dudley,** W. Midlands, Moslems have been ordered to remove onion-shaped domes from a mosque in a converted Church of England school.

In **Walsall and West Bromwich** angry White residents are campaigning to get Moslems evicted from mosques in converted terraced houses.

Casualties of Multi-Racialism

SEX ATTACKS on hospital patients and the disabled, muggings of crippled and blind folk, stabbings of lone bus drivers – these are the regular casualties in Britain's multi-racial madhouse.

So numerous are they that *NF News* can only report a tiny handful of the horrific assaults which are perpetrated daily in our cities.

Sex Attacks

Rapes and other sex crimes in **London** have leapt another 50 per cent in one year according to Scotland Yard. Special rape squads are to be established.

In March the "Beast of **Bloomsbury**", Bangladeshi immigrant Abdus Sohid, was jailed for life for "horrifying" sex attacks on young women. Sohid choked his four victims into submission before raping them and demanding money.

A rape squad recently caught a sex-frenzied West Indian aged 15 who attacked five schoolgirls in **East London.** One girl's throat was slashed.

In **Handsworth,** Birmingham, West Indian Harold Barton was jailed for raping a 40 year old woman after brandishing an air pistol.

In **South London** a 24 year old paralysed spastic girl was raped in her room at a spastics home by a staff member and two friends who were jailed for a total of 9 years.

In **Wolverhampton** recently two 12 year old boys were sexually assaulted by a "half-caste" who tried to strangle them afterwards and stabbed one in the lung.

In **Darlington,** Dr. Ramachandra Kumar was given a top hospital job after serving a six month sentence for sexually assaulting a 13 year old girl in Stockport.

In **Wakefield** Dr. Asit Saha has been charged with assaulting a 33 year old woman patient.

OAP Attacks

Attacks on White old folk, especially defenceless blind and crippled people, is an increasing feature of the race war.

Black muggers in **Handsworth,** Birmingham 'helped' blind man David Archer across the road before beating him to the ground and robbing him. In **Ladywood,** coloured thugs stole £10 from blind grandmother Edna Tomlinson after terrorising her for ten minutes.

Bromley police are also looking for "two Black youths" who committed a "despicable robbery on a frail, elderly blind woman" of 82 who was attacked from behind and robbed of her £250 savings.

Daisy Ford

Christine Allan

Patrick McIlkenny

Recent months have seen numerous such attacks: the attempted rape of a 71 year old **Birmingham** woman by coloured thug Paul Aqualina; the machete attack on a woman pensioner in **Erdington** by two Blacks; the kicking of an 85 year old **Battersea** man for £3; the brutal beating of 75 year old Daisy Ford in **Bethnal Green** by six "savages" who stole £3 as she lay bleeding; the sex assault by Shayamal Sehngupta of a crippled 63 year old **Ilford** woman; the sex attack and robbery by two Black thugs of a 92 year old **Hackney** widow which left her "like a cabbage"; the mugging of pretty **Liverpool** nurse Christine Allan, 21, which left her with 20 stitches in face wounds.

Bus Attacks

Buses and bus stops are favourite hunting grounds for vicious Black gangs. A "bus terror gang" of 4 West Indians in **Lewisham** was recently jailed for attacks on defenceless women.

Bus drivers in **Birmingham** voted to stop work after colleague Peter Sutton was stabbed in the face by three Rastafarian Blacks who refused to pay a 10p fare.

"Young savages" have urinated over bus passengers while robbing them, Birmingham Crown Court was told recently.

In March, **West Bromwich** bus driver Michael Bingham was repeatedly stabbed in the throat and stomach by a frenzied West Indian. In **Wolverhampton** two White youths were knifed on a bus at the St. James Square terminus by 20 Black thugs.

In **Birmingham** 19 year old Patrick McIlkenny was found unconscious in a pool of blood after two Blacks slashed his face with a machete at a bus stop; and 18 year old Paul Burford was stabbed five times on a bus by immigrant Nikalay Vasic.

More than 100 asaults on London Underground staff last year, including stabbings, have made tube workers terrified of working night shifts.

All these are recent cases.

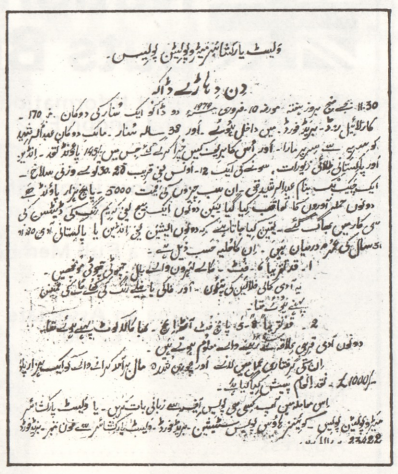
Asian crime crisis rocks Bradford

RACIAL violence against Whites, inter-Asian communal violence and an "Asian Mafia" murder enquiry have loomed large as a feature of Asian life in Bradford recently.

A preparedness by Asian youths to inflict armed violence on White people has been noted since the formation last year of a Bradford Asian Youth Movement.

Early in January the Shipley College of Further Education held a dance. Because of friction between Asian and White youngsters at last year's dance Sukhwinder Singh took a knife with him to this year's hop. He used it to stab two unarmed White students.



Police leaflet in Asian script

When two White men attempted to enter the Listerhills Social Club on 11th February they were clubbed to the ground by two Asians. One of the injured men, Mr. Ignacious Staunton, nearly died of head injuries.

In March a mob of more than 40 Asian youths ambushed a group of White revellers as they left a 'stag night' at a social club in Manningham Lane. The party-goers were pelted with bricks as they boarded their coach. Ten were injured and £1,000 of damage was done.

Kindly 73 year old OAP Harold Day befriended Asian youngsters. They were often to be seen in his flat in an old folks' block. On 18th February he was found asphyxiated and robbed of about £10. Police say he knew his attackers as no other flats had been entered and he had not used his alarm bell.

Three young Asians from Pakistan, living in Batley, near Bradford, decided to pursue a vendetta against members of a gang of Asians from India who also lived in the Yorkshire town, Leeds Crown Court heard on 9th March.

The gangs met in the middle of town. Members of both were armed. Stabbings took place which left one Indian – Ayub Mohammed Makda – dead and his cousin Younis wounded. "This was not racial violence," said prosecuting QC Mr. Robin Stewart.

On the day the Batley case was being heard, Bradford Crown Court heard a similar instance of inter-Asian gang violence. In sentencing Ram Sarup to 2½ years' jail for stabbing Madan Lal – one of several clashes in a two year old vendetta – Recorder Helen Paling said:

"People who use violence on the streets of Bradford – particularly if weapons are used – will be punished by sentences of imprisonment."

The crime that has really hit the headlines in Bradford was the murder in February of Pakistani taxi-driver Sultan Mahmood. The man's charred corpse was found on some waste land in the city centre.

Police think Mahmood may have been a member of an Asian gang that specialised in smuggling stolen vans to Pakistan . . . but a "wall of silence" has greeted all efforts to obtain information from the Asian community.

1,500 JOIN 'KEEP OUT BOAT PEOPLE' MARCH

A PEACEFUL DEMONSTRATION as National Front members march down Whitehall – yet according to the media "all NF marches automatically generate violence"! The reason for the peace *in London* on this occasion was that the membership of the Socialist Workers' Party – who stage anti-NF riots under the banner of the "Anti Nazi League" – were *at Manchester* that day attending a conference organised by "Rank and File" – the SWP's agency for industrial disruption!

WHITEHALL was filled from end to end with demonstrators on Saturday 23rd June protesting against Prime Minister Margaret Thatcher's decision to allow the so-called 'Boat People' to swarm into Britain.

The demonstration was promoted by the **British Campaign to Keep Out the Boat People** – a new group sponsored by the National Front. Campaign Organiser is Mr. Nicholas Fridd, a London barrister.

Before leading the column away from its assembly place by BBC Broadcasting House, Mr. Fridd – accompanied by Mrs. Jean White and Mr. Ron Rickcord, Organisers, respectively, of the Campaign's Mothers' and Ex-Servicemen's groups – delivered a letter to the Red China Embassy in Portland Place.

This letter pointed out that the 'Boat People' are mostly ethnic Chinese, not Vietnamese, and that therefore China was the natural homeland of these refugees, not Britain.

As the column wended its way through London's West End a further delegation, led by Mr. Rickcord, accompanied by former US Marine Keith Roberts (a British subject who saw two tours of duty in Vietnam, winning numerous decorations) and Mr. George Wilson, BEM (RAF Retd.), delivered a letter to the American Embassy in Grosvenor Square.

This declared that the US military mission in South Vietnam had patronised the ethnic Chinese community in their "entrepreneurial" activities (bars, brothels, drug-pushing, army 'surplus' trading etc.). Now the US must pay for suitable resettlement areas in the Far East for its former servants.

In Whitehall, Mr. Fridd and Mr. Martin Webster, National Activities Organiser of the NF, left the column to deliver a letter of protest to Mrs. Thatcher at 10 Downing Street.

It described her decision to let the 'Boat People' into Britain as a total betrayal of the "anti-Immigration" promises made by her in the run up to the recent General Election.

For a petition form to keep out the 'Boat People' and further details of the Campaign, write to Mr. Nicholas Fridd, c/o PO Box 105, London EC2. Donations needed.

Welcome Miss Tyndall

CENTRE of attention – and loving every minute of it! – is Marina Helen, newly-arrived daughter of NF Chairman John Tyndall and his wife Valerie.

Marina arrived on 18th May, weighing 6lbs 10oz – thoughtfully delaying her appearance until after her Mum had (at short notice) fought Brighton Kemptown for the NF in the General Election!

John Tyndall had to leave Valerie and Marina for two and a half weeks in late June and early July to go on a speaking tour of the United States sponsored by a variety of patriotic groups and individuals. A bid by Jewish pressure groups to get his visa revoked failed.

HIGH COURT VICTORY

ACTING as representatives of the membership of the National Front, NF Directorate members Richard Verrall and Martin Webster successfully sued the London Borough of Newham.

The High Court action followed Newham Council's refusal to honour its agreement to hire East Ham Town Hall to the NF in October, 1977, for the party's AGM. The NF was awarded more than £1,000 damages, plus costs in June.

Newham NF ratepayers are now taking legal steps to oblige the Councillors responsible for the mal-administration to compensate the Borough out of their own pockets.

SPG "thugs" guard 'Anti-Nazi' demos!

HALF-CASTE Maori Blair Peach was one of the fanatics who the Socialist Workers' Party sent into Southall on 23rd April to promote the 'Anti Nazi League' riot.

Peach got more than he bargained for when a blow on his head killed him. Immediately the SWP proclaimed him "a martyr" and the Police 'Special Patrol Group' as "murdering thugs" who should be banned.

But the SWP/'Anti Nazi League' rabble have often been grateful for SPG protection – as seen here when marching through an "NF stronghold" in East London last year.

This SPG detachment is based at Barnes and is led (*far right*) by Inspector Murray, an excitable Scotsman.

BRENT WIN Y.N.F. 5-A-SIDE FINAL

BRENT Branch of Young National Front won the second annual YNF Five-a-Side Football Competition which was held at a London sports centre in June.

Thirty YNF units all over the country entered teams in the preliminary regional rounds of the competition – a big increase over last year.

Sixteen of these went through to the finals in London. Among them were teams from Derby, Leeds, Warrington, Manchester, Plymouth and several parts of London.

For the second year running there was an all-London final with Brent (NW London) beating Barking (East London) – but only after an extra time penalty goal competition following a one-all draw!

Brent only got to the final by beating tough competition from North Bucks and Warrington. Barking had to beat fine teams from North London: Hackney (last year's winners) and Haringey.

Awards to the winning team – the 'John Tyndall Shield' and medals – were presented by NF Chairman John Tyndall.

Principal organiser of the competition is YNF National Secretariat member Kevin Randall.

HELP THESE PATRIOTS!

DURING the General Election West Midlands Police tried to intimidate West Bromwich NF Branch into calling off its election meeting by warning that they would not allow NF stewards to control entry to the meeting.

The intimidatory ploy failed – but 40 brave NF stalwarts had the job of containing a 150 strong 'Anti Nazi League' mob who rioted before NF Chairman John Tyndall spoke a word.

To prove their "impartiality" the Police then arrested NF stewards Ronald Maylin, Mark Clinton and David Woods! Please send *NF News* donations towards their fines.
